

## Hunting price list

### Hunting season 2016/2017

#### Forest enterprises

Šaštín-Stráže, Smolenice, Levice, Topoľčianky, Prievidza, Trenčín, Považská Bystrica, Žilina, Čadca, Námestovo, Liptovský Hrádok, Beňuš, Čierny Balog, Slovenská Ľupča, Žarnovica, Kriváň, Rimavská Sobota, Revúca, Rožňava, Košice, Prešov, Vranov, Sobrance

#### General Terms

valid from March 1, 2016 to February 28, 2017

We reserve the right of a change in prices.

#### A. Individual prices (hunting fees)

1. Hunters shall submit an application (annex to this price list) to Lesy SR, š. p. Banská Bystrica, general directorate or to the particular Forest enterprise
2. The Forest enterprise will approve the hunter's application and send him/her back an **invitation for the hunt**. The invitation is a basis for issuing a firearms accompanying letter for non-EU hunters or for declaring the hunting purposes of journey for holders of The European Firearms Passport when bringing the firearms on the territory of the Slovak Republic.
3. After getting the invitation for the hunt the hunter shall come to the appropriate Forest enterprise because of dealing the hunting conditions and getting the information about the organization of the hunt. The hunter come to the Forest enterprise on the agreed time, he shall submit the invitation for the hunt, a hunting license and The European Firearms Passport. The director of the Forest enterprise or authorized person by him appoints the hunting area and the guide for the hunt. The permission for hunting is issued for each hunting event separately.
4. The hunting license for the foreigners and the insurance will be provided by the Forest enterprise  
The hunting license and the insurance fee:  
1 week hunting license and the insurance EUR 38,-  
1 month hunting license and the insurance EUR 70,-  
1 year hunting license and the insurance EUR 280,-
5. A daily fee of EUR 25 (a daily fee of EUR 30 is charged for the bow hunting in the game preserve), - is charged for each day of an individual hunt. This fee includes the guide and other costs of the hunt organisation. The daily fees for the pheasant and the wild boar driven hunts are listed in the relevant price list for particular game animals.
6. The Forest enterprises can require a deposit charge from the hunters.
7. The license fee includes the trophy preparation.
8. It is possible to order food and accommodation services for hunters with the particular Forest enterprise. These services will be charged individually according to the valid price lists of each Forest enterprise of Lesy SR, š. p. Banská Bystrica.
9. The transport during the hunts will be charged according to the following tariffs:
  - bus EUR 1.00,- per km,
  - off-road vehicle EUR 0.50,- per km,
  - car EUR 0.50,- per km,
  - carriage EUR 100,- per day.

The daily fee includes a fare for the transport by the off- road car during the pheasant and the wild boar driven hunts so it is not charged separately.

10. Hunting of non-trophy hoofed game (red deer - cow, calf, fallow deer - cow, calf, mouflon - ewe, lamb, roe deer - doe, fawn) and other game bagged according to the directions of driven hunt authorized person (for wild boar) will be priced according to the individual prices of particular game species. Daily hunting (post) fee for non-trophy hoofed game and other game is not charged in this case.
11. The 10% discount will be provided for individual huntings (according to the part A of the pricelist) for named game (red deer and wild boar) in the Forest enterprises of Vranov and Sobrance. Discount will be provided for hunting and accommodation. The discount will be not provided for individual hunting in the game preserve.

## **B. The lump prices**

1. The lump price for the hunt shall be paid to the account of the Forest enterprise in advance or in cash on the day of hunt at the latest.
2. Unless otherwise agreed the Forest enterprise will provide the accommodation with the electricity, the shower and the hot water. It is included in the lump price.
3. Lump price includes full board. Lump price is reduced by EUR 15, - per each day spent in the hunting ground in case the Forest enterprise is not able to provide board stated in the lump price offer.
4. In the case the parameters of a hunted trophy exceed the originally agreed limit covered by lump price, the hunter will compensate the difference according to the price list for individual hunts.
5. In the case the parameters of a hunted trophy do not reach the originally agreed limit covered by the lump price, the Forest enterprise will return the amount as if no game has been hunted. Consequently, the hunter will pay the real value of the trophy according to the price list for the individual hunts.
6. If the game is wounded and not hunted, the returned amount will be reduced by the sum for game wounding according to the price list for the individual hunts.
7. If another piece of trophy game has been hunted during the stay of the guest, there will be charged the price of the further piece of trophy according the individual prices (shooting fee) listed in this price list.
8. If the hunter requires termination of the stay before the originally agreed number of days covered by the lump price, he/she will not be returned an adequate amount of the lump price for the remaining days. In case the originally required game is not bagged during the stay the hunter will be returned a particular amount listed in this price list for each lump price hunt.
9. The lump price does not include the hunting license and the insurance for the foreign hunters. These fees are charged separately in the amount of EUR 38.00.

### C. Common terms

1. An extra charge of 100% of the hunting fee will be charged in case the game animal other than agreed is bagged or wounded.
2. Hunting is finished once the hunter refuses to shoot at the ordered game animal.
3. If there was found a colour of wounded flushing game and the personal of the enterprise assign seeking it by hunting dog the wounded fee will be charged. The trophy of any game recovered after the hunter has departed will be evaluated and given to the hunter after paying the difference between the fees for wounding and hunting.
4. After finishing the hunt the authorised person of the Forest enterprise will elaborate a **hunting report** needed for the final settlement of fees. The report shall also be signed by the hunter. Based on the signed report the authorised person of the Forest enterprise will carry out the final settlement. The hunt is defined as a continuous hunting and accommodation of a hunter. Every day, during which neither hunting nor accommodation of a hunter is invoiced, interrupts the hunt and a new hunt follows.
5. The trophy evaluation will be carried out in the presence of the hunter up to 24 hours after the trophy preparation. Any claims should be raised before the hunting report is signed. **Only claims stated in the report can be subject to further settlement.** Claim solution is provided by the director of the Forest Enterprise or by him authorized person.
6. Trophy will be given to the hunter after paying the finally settled price for hunting.
7. During the pheasant and the wild boar driven hunts a number of games bagged at each hunting site will be obligatory recorded by the authorised person of Forest enterprise.
8. If the trophy game within the II. or older age class and wild boar will be hunted, there will be 20% discount provided from the individual shooting fee according this price list for the wild boar hunting in the category piglet, yearling and other ungulate in the category females, offspring and males within the I. age class.
9. **After catching a medal boar in the game preservations in OZ Levice, OZ Trenčín, OZ Sobrance, the hunting fee is increased by 100,00€ for bronze medal, 200,00€ for silver medal and 300,00€ for golden medal.**
10. All prices include VAT.
11. LESY SR reserves the right of a change in prices in case the exchange rate EUR/SKK changes by 5 % or more during the validity of this price list.
12. The comparison of CIC points with weight (length) is informative only.
13. The price of sold meat is calculated according to the individual price list except of pheasant, duck, wild turkey, hare, woodcock and hazel grouse. In this case the price of venison is included in the hunting fee.
14. Obligatory ordered and confirmed hunt can be cancelled 14 days before the agreed term at the latest. Any cancellation of hunts after these terms is subject to the cancellation fee.
