

Hunting price list

Hunting season 2024/2025

STATE ENTERPRISE FORESTS OF THE SLOVAK REPUBLIC

www.lesy.sk

General Terms

valid from March 1, 2024 to February 28, 2025

State forests reserves the right of a change in prices.

A. Individual prices (hunting fees)

1. Hunting guests shall submit an application (annex to this price list) to State Enterprise Forests of Slovakia, (GR), general directorate or to organizational branch of the particular Forest enterprise.
2. The Forest enterprise will approve the hunter's application and send him/her back an **invitation for the hunt**. The invitation is a basis for issuing a firearms accompanying letter for non-EU hunters or for declaring the hunting purposes of journey for holders of The European Firearms Passport when bringing the firearms on the territory of the Slovak Republic.
3. After getting the invitation for the hunt, the hunter shall come to the appropriate Forest enterprise because of dealing the hunting conditions and getting the information about the organization of the hunt. The hunter come to the Forest enterprise on the agreed time, he shall submit the invitation for the hunt, a hunting license and The European Firearms Passport. The director of the Forest enterprise or authorized person by him appoints the hunting area and the guide for the hunt. The permission for hunting is issued for each hunting event separately.
The Slovak hunting license for the foreign hunting guests and insurance will be provided by the Forest enterprise.
4. The hunting license and the insurance fees for foreign hunting guests ÷
A weekly hunting license and insurance: EUR **75,00,-**
A monthly hunting license and insurance: EUR **125,00,-**
A yearly hunting license and the insurance: EUR **245,00,-**
5. A daily fee in amount EUR 40.00 (to 12,00 p.m. 20.00 EUR, after 12,00 p.m. 20.00 EUR) and daily fee of EUR 50 (to 12,00 p.m. 25.00 EUR, after 12,00 p.m. 25.00 EUR) is charged

for the bow hunting in the game preserve - is charged for each day of an individual hunt. This fee includes the guide and other costs of the hunt organisation. The daily fees for the pheasant hunts are included in this price list within pheasant hunt offer.

6. The Forest enterprises can require a deposit charge from the hunters.
7. The license fee includes the trophy preparation.
8. It's possible to order food and accommodation services for hunters with the particular Forest enterprise. These services will be charged individually according to the valid price lists of each Forest enterprise of State Enterprise Forests of Slovakia.
9. The transport during the hunts will be charged according to the following tariffs:
 - bus EUR 1.20,- per km,
 - off-road vehicle EUR 0.70,- per km,
 - car EUR 0.70,- per km,
 - carriage EUR 100,- per day.

The daily fee or all lump prices include a fare for the transport by the off- road car during the pheasant and the wild boar driven hunts so it is not charged separately.

10. Hunting of non-trophy hoofed game (red deer - cow, calf, fallow deer - cow, calf, mouflon - ewe, lamb, roe deer - doe, fawn) and other game bagged according to the directions of driven hunt authorized person (for wild boar) will be priced according to the individual prices of particular game species. Daily hunting (post) fee for non-trophy hoofed game and other game is not charged in this case.

B. The lump prices for an individual hunt

1. The lump price for the hunt shall be paid to the account of the Forest enterprise in advance or in cash on the day of hunting event at the latest.
2. Unless otherwise agreed the Forest enterprise will provide the accommodation with the electricity, the shower and the hot water. It is included in the lump price.
3. The lump price does not include the hunting license and the insurance for the foreign hunters. These fees are charged separately in accord of this price catalogue.

C. Common terms

1. An extra charge of 100% of the hunting fee will be charged in case the game animal other than agreed is bagged or wounded.
2. Hunting is finished once the hunter refuses to shoot at the ordered game animal.
3. If there was found a colour of wounded flushing game and the personal of the enterprise assign seeking it by hunting dog the wounded fee will be charged. The trophy of any game recovered after the hunter has departed will be evaluated and given to the hunter after paying the difference between the fees for wounding and hunting.

4. After finishing the hunt the authorised person of the Forest enterprise will elaborate a **hunting report** needed for the final settlement of fees. The report shall also be signed by the hunter. Based on the signed report the authorised person of the Forest enterprise will carry out the final settlement. The hunt is defined as a continuous hunting and accommodation of a hunter. Every day, during which neither hunting nor accommodation of a hunter is invoiced, interrupts the hunt and a new hunt follows.
5. The trophy evaluation will be carried out in the presence of the hunter up to 24 hours after the trophy preparation. Any claims should be raised before the hunting report is signed. **Only claims stated in the report can be subject to further settlement.** Claim solution is provided by the director of the Forest Enterprise or by him authorized person.
6. Trophy will be given to the hunter after paying the finally settled price for hunting.
7. During the pheasant and the wild boar driven hunts a number of games bagged at each hunting site will be obligatory recorded by the authorised person of Forest enterprise. The beasts of prey (e. g. fox) bagged based on permission during driven hunts will be evaluated in terms of individual prices included in this hunting price list.
8. After catching a medal boar in the game - preserve the hunting fee is increased by 100,00€ for bronze medal, 200,00€ for silver medal and 300,00€ for golden medal. In the case, that during driven hunt in game - preserve was caught a boar with the medal tusks evaluated on the one of 3 medals, the fee is paid by hunter.
9. All prices include VAT.
10. On the request of forest enterprise or executive directorate must be trophy by hunting quest submitted to the hunting exhibition for the rating purposes by international CIC committee.
11. At the request of state enterprises or general directorate must be hunting trophy brought forward by hunting guest on hunting exhibition, for evaluation purposes by international committee CIC.
12. The price of sold venison is calculated according to the individual price list aside from pheasant, duck, wild turkey, hare, woodcock and hazel grouse. In this case the price of venison is included in the hunting fee.
13. Obligatory ordered and confirmed hunt (not the pheasant hunt) can be cancelled 14 days before the agreed term at the latest (in the case of pheasant hunt 60 days). Any cancellation of hunts after these terms is subject to the cancellation fee.
14. It is not possible the combination a lump hunting of non-trophy hoofed game with individual hunting of non-trophy hoofed game during one multi-day hunting event.
15. The hunting season included in this price list can be changed due to exception issued by the state administration.
16. State Enterprise Forests of Slovakia, reserves the right to cancellation ordered or progressing hunting action without giving a reason.
